

Macaroni time

She say she like my car, forgis ride

Seen me with tha stars now she wanna know me now

Unh-unh cause I told her now I'm actin' phony now

Buck buck for nigga think it's macaroni time

She say she like my car and she like how my forgis ride

She seen me with them stars now she wanna know me now

Unh-unh cause I'm Tony now I'm actin' phony now

Buck buck for a nigga think its macaroni time

Couple bucks for these bitches, let me slap them on they ass

Tough luck for these niggas think they next I'm on they ass

So what I walk in court smelling like packs? I got them bands

Glo boys that's what almighty Sosa got them sayin'

She wanna be a Glory girl but she don't like my Glory guys

I know this bitch a thot she wanna meet my momma now
But unh-unh I gotta QP of Earth rolling, let's get high
Light it up I guarantee that she will touch the sky
He say he gettin' money but I know that's a lie

I see 1s and 5s in your bankroll right now
But unh-unh you ain't flexin' boy you need some exercise
You cuttin' up you need some GBE lessons now
I hear these niggas flexin' sayin' they know the Glory gang
How you know us if we don't know your name?
Unh-unh just bought a pint I'm leanin right now
Dumb fuck just popped a flat, I'm beamin' right now
Unh-unh I feel like catchin' a homi right now
No love - I see a opp I'm droppin' him right now
She let me fuck then I'm droppin her' right now
I'mma hop up in my 'rari top, I'm dropping it right now

She say she like my car and she like how my forgis ride
She seen me with them stars now she wanna know me now

Unh-unh cause I'm Tony now I'm actin' phony now
